### **Nicaragua - 2010 ADOPT-A-PUPPET PROGRAM**

"Adopt-a-Puppet" is a Nicaragua Mission Team fundraiser to assist with a special project in Nicaragua that will touch the lives of many. We are confident the puppets will help the children remember our interaction with them.

"Adopt-a-Puppet" is a chance for you and your zone to give a child a very special puppet. It will provide you an opportunity to be directly involved with the children with whom our mission team will be interacting.

1. Please complete the form below. Choose the puppet you want to adopt from the pictures above. Circle your choice.
2. Return the form to a mission team member or send the form to Lois Ford, 118 E. Wilt Ave. Eustis, FL 32726.
3. A \$15 check made out to **FL-GA District LWML**, should accompany this form.

Our goal is to give a puppet to as many children of the communities we will visit as possible. Your generosity will assist us in reaching out to the children of Nicaragua and sharing God's love. When we return we will send you a picture of the child (children) you helped.
